

## Technician's Refrigerant Certification Examination

The ESCO Institute Technician's Refrigerant Certification Examination is an approved certification program by the Environmental Protection Agency (EPA). The exam certifies participants to handle any type of refrigerants in the Heating Ventilation Air Conditioning and Refrigeration (HVAC/R) industry today. The exam is offered once a month on the second Saturday of each month. The study guide for the exam is available at any time from 8 am to 5 pm Monday - Friday at the Technology Center within the HVAC/R Technology Program.
