RE: TAX RESALE PROPERTIES

Dear Dr. Reed:

On June 2, 2015, our firm held a Tax Resale auction where we placed nine (9) previously struck-off properties for resale throughout Hidalgo County. No bids were received at the time of the auction; however, on June 22, 2015, private written bids were received for these nine (9) previously struck-off properties. On October 6, 2015, the nine (9) previously struck off properties were submitted to the Finance Committee for approval. The College was notified that another taxing entity did not approve the proposed tax resale, and no action was taken. In an effort to close out these remaining bids, we are seeking your recommendation.

On November 3, 2015, our firm held another Tax Resale auction where we placed seventy (70) previously struck-off properties for resale throughout Hidalgo County. We received bids on all seventy (70) previously struck-off properties located within your district. Both resale auctions were held at the Hidalgo County Records Management Facility. The resale of these properties was published in several newspapers throughout Hidalgo County.

Enclosed for the consideration of the Board of Trustees is an analysis of each bid received, which indicates the amount to be prorated amongst your district and all other taxing jurisdictions. We are also in the process of submitting the bids to the City of Donna, the City of Pharr, Mission Consolidated Independent School District, Mercedes Independent School District, and South Texas Independent School District for their consideration.

If you have any questions or require further information, please do not hesitate to call me.

Very truly yours,
