

MANUAL OF POLICY

Title	Workload of Employees Retired Under Teacher Retirement System	3810
--------------	--	-------------

Legal Authority	By Approval of Board of Trustees
------------------------	---

Date Approved by Board	Board Minute Order dated November 9, 1995 As Amended by Board Minute Order dated July 28, 2005
-------------------------------	---

Individuals who are retired and receiving retirement benefits from the Teachers Retirement System of Texas (TRS) may be employed to teach no more than one-half the instructional load of a full time faculty member. The instructional load shall be calculated on the basis of the semester hour load of a full time faculty member.

TRS return-to-work retirees who teach more than half-time will be subject to TRS rules. All employment of return-to-work retirees shall be reported to TRS.
