MINUTES

The Education and Workforce Development Committee Meeting was held on Tuesday, January 12, 2016 in the Ann Richards Administration Building Board Room at the Pecan Campus in McAllen, Texas. The meeting commenced at 3:10 p.m. with Mrs. Graciela Farias presiding.

Members present: Mrs. Graciela Farias, Dr. Alejo Salinas, Jr., and Mr. Gary Gurwitz

Other Trustees present: Mr. Paul R. Rodriguez

Members absent: None

Also present: Dr. Shirley A. Reed, Dr. Anahid Petrosian, Mr. Carlos Margo, Mr. Mario Reyna, Mrs. Laura Sanchez, Dr. Erasmus Addae, Mrs. Kristina Wilson, Ms. April Castaneda, Ms. Yvette Gonzalez, and Mr. Andrew Fish.

Approval of Minutes for Tuesday, December 08, 2015 Committee Meeting

Upon a motion by Mr. Gary Gurwitz and a second by Dr. Alejo Salinas, Jr., the Minutes for the Education and Workforce Development Committee meeting of Tuesday, December 08, 2015 were approved as written. The motion carried.

Review and Recommend Action on Proposed New Policy #3301: *Definition of Semester Credit Hours*

Approval of the proposed new Policy #3301: *Definition of Semester Credit Hours* would be requested at the January 26, 2016 Regular Board Meeting.

This would be a new policy, and was proposed for adoption by the Board for compliance with requirements by the Southern Association of Colleges and Schools Council on Colleges (SACS-COC).

The policy codified the College's adherence to the Texas Lower Division Academic Course Guide Manual for academic transfer courses, and the Texas Workforce Education Course Manual for technical courses when determining the amount and level of credit awarded for all courses.

The Policy also defined the credit hour as the basic measure of engaged learning time expected of a student, including time in classrooms, labs, internships, studios, clinical, practicums, cooperative educational experiences, and out-of-class preparation time.

Finally, the Policy identified various modes of instruction offered at South Texas College, to include traditional and non-traditional instruction.

The Policy was reviewed by the President's Cabinet, the Academic Council, and the Planning and Development Council.

Upon a motion by Dr. Alejo Salinas, Jr. and a second by Mr. Gary Gurwitz, the Education and Workforce Development Committee recommended Board approval of the proposed new Policy #3301: *Definition of Semester Credit Hours*, which would supersede any previously adopted Board policy, as presented. The motion carried.

Presentation of South Texas College Workforce Training Opportunities for Industry Partners in Reynosa

Mr. Carlos Margo, Interim Associate Dean, The Office of Industry Training & Economic Development, and Mr. Mario Reyna, Dean for Business and Technology, presented on workforce training opportunities for industry partners in Reynosa, through a proposed partnership with Instituto Internacional de Estudios Superiores (IIES).

The College identified this strategy as an opportunity to improve regional prosperity in the South Texas College service area, Hidalgo and Starr counties, through collaboration with the maquiladoras in Reynosa. Through offering workforce development training to industrial partners across the border, the local economy would see increased activity. The Federal Reserve Bank of Dallas estimated that a 10 percent increase in maquiladora output leads to a 6.6 percent increase in total employment in McAllen.

For this reason, the proposed initiative was supported by the McAllen Economic Development Corporation as well as by INDEX Reynosa.

Successful collaboration with IIES in Reynosa and development of improved workforce training in industrial partners across the border will also contribute to a greater profile for the Rio Grande Valley in attracting global businesses to invest in the area, increasing the demand for high skilled workers and providing a boon to the local economy.

Staff was working to determine the feasibility of creating a 501(c)(3) to serve as a conduit for this international collaboration.

Staff was also investigating the possibility of further collaboration with IIES, which currently included a high school of about 250 students, as well as higher education programs including two Associates Degrees, five Bachelors Degrees, and one Masters Degree.

This item was for the Committee's information and feedback to staff, and no action was requested.

Presentation of South Texas College Online Programs

Dr. Erasmus Addae, Dean of Distance Learning, was prepared to present the South Texas College Online Programs. Due to time constraints, this presentation was postponed to a subsequent Committee meeting.

Adjournment

There being no further business to discuss, the Education Workforce Development Committee Meeting of the South Texas College Board of Trustees adjourned at 4:00 p.m.

I certify that the foregoing are the true and correct Minutes of the January 12, 2016 Education and Workforce Development Committee of the South Texas College Board of Trustees.

Mrs. Graciela Farias
Presiding

Presentation of South Texas College Online Programs

Dr. Erasmus Addae, Dean of Distance Learning, will present on the South Texas College Online Programs.

Launched as the Distance Learning Department in 1997 with 2 course sections offered to 57 students, the College was an early adopter of higher education over internet and teleconferencing services. South Texas College has continued to develop online course offerings at a phenomenal pace.

In 2010, the College formally launched the virtual campus, eSTC, offering fully online degree programs and comprehensive student services. These services include access to library resources, advising and counseling, registration, and tutoring.

The College has updated its marketing, and the virtual campus is now South Texas College Online. This program now serves thousands of students each semester. In Fall 2015, **5,925** students took at least one course online, and **2,206** of those students took **all** of their courses online.

The presentation includes a listing of 32 degrees that can be completed fully online, including four baccalaureate programs.

The presentation also includes enrollment projections through 2020, showing the anticipated enrollment increases to 8,262 students taking some or all of their courses through South Texas College Online.

The presentation will also review the marketing of South Texas College Online, which includes partnerships with the Valley Initiative for Development and Advancement (VIDA), the US Military through the GoArmyEd Program, *Virtual College of Texas*, and the US Border Patrol.

Dr. Addae will review the College's support structure that has helped South Texas College faculty and students leverage internet technologies into successful tools for distance learning, and will review student success and completion rates, comparable to the other large community colleges in Texas. This structure includes:

- The *Online Redesign Academy* which provided intensive training in course redesign for an online platform for instructors in high-enrollment courses with comparably low success rates,
- The *Quality Matters Rubric* training, which provided 20 instructors in the use of the Quality Matters rubric, a nationally recognized, faculty-centered, peer review process designed to evaluate and certify the quality of online courses and course components.

Finally, Dr. Addae will review the recognition of the South Texas College Online programs, their opportunities for expansion, and the representation of these programs at the Distance Learning Symposium.

This item is for the Committee's information and feedback to staff, and no action is requested.

Review and Recommend Action on Proposed Revisions to Policy #3813: *Academic Classifications for Faculty*

Approval of the proposed revisions to Policy #3813: *Academic Classifications for Faculty* will be requested at the February 23, 2016 Regular Board Meeting.

This policy revision is proposed in response to supportive statements from the Education and Workforce Development Committee during the December 8, 2015 presentation on Academic Classification, which included a discussion of instituting the Professor Emeritus title, which would be granted as an honor, according to an established procedure, to certain faculty members upon retirement.

The packet includes the proposed revised Policy #3813: *Academic Classifications for Faculty* and a copy of the draft procedures for granting the Professor Emeritus title to honor qualified retiring faculty members.

Minor changes are also included to update the language in the existing policy.

The Policy has been reviewed by the President's Cabinet, the Academic Council, the College-Wide Classification Committee, and the Faculty Senate.

The Committee is asked to recommend approval of the proposed revisions to Policy #3813: *Academic Classification for Faculty* which would supersede any previously adopted Board policy.

Date Approved by Board	Board Minute Order dated November 17, 2005 <i>As Amended by Board Minute Order Dated February 23, 2016</i>	

South Texas College is committed to serving the students and communities of south Texas by recruiting and retaining faculty who are committed to academic excellence, integrity, and scholarship.

The college grants four titles ~~are granted~~ to convey faculty classification *to active faculty members*. In ascending order these are:

1. Instructor
2. Assistant Professor
3. Associate Professor
4. (Full)Professor

Criteria for the designation of academic classification for faculty shall include: Education, Years of Service, Teaching Effectiveness, Service to College, Service to Community, Professional Activities, and Scholarly Pursuit.

General definitions for criteria include, but are not limited to the following:

- Education: Degrees completed through a regionally accredited institution.
- Years of Service: Length of employment as a full time regular faculty member at a regionally accredited institution of higher education as determined by the STC Office of Human Resources.
- Department/Program Standards: Leadership or active participation in the strategic plan of the department or program.
- Teaching Effectiveness: Successful student learning outcomes in relation to the academic discipline.
- Service to College: Leadership or active participation in projects related to the Vision and Mission of the College.
- Service to Community: Leadership or active participation on external initiatives or projects positively impacting the region of south Texas.
- Professional Activities: Leadership or active participation in professional development conferences, seminars or workshops that enhance the contribution to the students and communities of the College.
- Scholarly Pursuit: Leadership or active participation in regional, state or national councils, committees, task forces, accrediting/licensing/registry agencies or through the presentation of proposals, abstracts, or papers in journals or publications.

Procedures for Non-Annual Employees and Non-Renewal of Annual Employees) or 4921 (Termination of Annual Employees During the Term of Their Letter of Appointment).

Expectations for faculty with Academic Classification will include leadership with achieving departmental/program goals, leadership/participation in criteria for the respective classification, and compliance with Board approved policies.

The evaluation of faculty with Academic Classification will include faculty evaluations by department/program Chair or respective Division Dean and student evaluations.

The additional classification of Professor Emeritus may be granted, according to established procedures, to a faculty member who has been awarded academic classification (Assistant Professor, Associate Professor or Professor) by the College-wide Academic Classification Committee prior to his or her retirement. The emeritus status is limited however. The number of faculty being granted emeritus status in any given year shall not exceed one percent (1%) of the number of full-time regular faculty.

College/Departmental Procedures for Emeritus Rank

The Emeritus Rank recognizes significant contributions to the college and the community on the part of a retired or retiring faculty member who already has earned an academic classification.

Requirement

To qualify for emeritus status, a faculty member must have been awarded academic classification (Assistant Professor, Associate Professor or Professor) by the College-wide Academic Classification Committee prior to his or her retirement.

Process/Procedure

1. No later than one regular semester (fall or spring) after the faculty member retires, the department in which the faculty member served shall submit a memo to the College-Wide Academic Classification Committee nominating the faculty member for emeritus status. The department may submit this memo during the faculty member's last semester before retirement. However, the CWACC's decision regarding emeritus status will not be announced until the faculty member's retirement. The memo shall, at a minimum contain the following information:
 - a. Grounds for granting the faculty member emeritus status, including a summary of the faculty member's college and community service.
 - b. The date that faculty member was granted academic classification. If the faculty member was granted more than one classification over the time of their service at STC, the dates of awarding all classifications shall be included. This information is available in the letter sent to the department chair and a letter placed in the faculty member's personnel folder in Human Resources at the time that the classification is awarded, as well as from the Administrative Assistant in the Office of the Vice President for Academic Affairs.
 - c. The signatures of a majority of the full-time regular faculty members of the department.
2. A majority vote of the College-Wide Academic Classification Committee (CWACC) shall be necessary in order to recommend to the Vice President for Academic Affairs that the faculty member be awarded emeritus status. As expectations for faculty with Academic Classification include leadership with achieving departmental/program goals, leadership/participation in teaching effectiveness, college service, community service, professional development, and scholarly pursuits over the preceding 5 years before retirement will be taken into account in the decision to grant emeritus status.

3. Upon granting emeritus status, a letter shall be sent to the department chairperson and to the faculty member in question. A copy of this letter shall also be sent to Human Resources to be placed in the faculty member's personnel folder.

Benefits for Emeritus Professors

Professor emeritus status shall entail the following benefits:

- a. A college ID showing emeritus status;
- b. Maintenance of, and continued access to, the faculty member's STC email account;
- c. The right to obtain (at the normal fee) a faculty parking permit;
- d. Use of computers in adjunct faculty offices;
- e. Use of the STC library, including checking out books and access to on-line library resources;
- f. Inclusion in lists of departmental faculty, including in department publications and directories and the on-line Faculty/Staff Directory maintained by Human Resources;
- g. Invitation to departmental and college event.

Limits to Professors Emerita

Emeritus status is limited. The number of faculty being granted emeritus status in any given year shall not exceed one percent (1%) of the number of full-time faculty.

Presentation of English as a Second Language (ESL) Program at South Texas College

Mr. Juan Carlos Aguirre, Dean of Continuing, Professional, and Workforce Education, will present on the South Texas College English as a Second Language (ESL) Program.

Mr. Aguirre will review past enrollment and performance, and important partnerships that have allowed for improved curriculum and expanded offerings for the region.

The ESL program is part of South Texas College's "College and Career Preparation Institute" under the Office of Continued, Professional, and Workforce Education (CPWE).

CPWE enrolled 13,904 unduplicated students in FY 2015, which was up from 11,009 from the previous year. The College provided over 920,000 contact hours, and delivered 1,825 courses in that same year. This was completed in part through the support of over \$1.88M in grant funding.

Of the 13,904 CPWE participants in FY 15, the College and Career Preparation Institute enrolled 2,686 students, with nearly half, or 1,327 students, enrolled in ESL courses.

35 ESL students were on a Career Pathway through the College, 525 attended through a school district partnership, and 767 were from the community at large. The ESL program has been very successful, with 93% of these students satisfactorily completing their program.

Mr. Aguirre will provide information on plans to develop partnerships with additional school districts, to attract further grant support for these programs, and to further engage the community to attract volunteer teachers and tutors.

This item is for the Committee's information and feedback to staff, and no action is requested.
