**MINUTES**

The Facilities Committee Meeting was held on October 14, 2025 in the Ann Richards Administration Building Board Room at the Pecan Campus in McAllen, Texas. The meeting commenced at 4:35 p.m. with Dr. Alejo Salinas, Jr. presiding.

Members present: Dr. Alejo Salinas, Jr., and Mr. Paul Rodriguez.

Other Trustees present: Mr. Danny Guzman.

Members absent: Ms. Rose Benavidez

Also present: Dr. Ricardo J. Solis, Ms. Mary Del Paz, Mr. Rick De La Garza, Dr. Brett Millan, Dr. Anahid Petrosian, Dr. Margo Vargas-Ayala, Dr. Matt Hebbard, Dr. Jesus Campos, Mr. Nick Hinojosa, Mr. Jose Vela, Ms. Kelly Nelson, Mr. Cristian Saitos, Ms. Monica Benitez, Ms. Janis Lopez, Mr. Martin Villarreal, Ms. Gardenia Perez, Mr. Robert Gomez, Mr. Sergio Riojas, Mr. Martin Villarreal, Ms. Lynda Lopez, Mr. Andrew Fish, and Ms. Venisa Earhart.

**Approval of September 9, 2025 Facilities Committee Meeting Minutes**

The following Minutes for the Facilities Committee meetings were presented for Committee approval.

1. September 9, 2025 Facilities Committee Meeting

Dr. Salinas adopted the Minutes for the September 9, 2025 as presented.

**ACTION ITEM II, Review and Recommend Action on Approval of Proposed District Wide Building Names**

<b>Purpose</b>	To approve the proposed building names as presented.
<b>Justification</b>	The naming of buildings is necessary so that each building can be specifically identified for students, faculty, staff, and the public. It has been proposed that the names of some of the existing and new buildings should be changed to accurately identify their function(s).
<b>Enclosed Documents</b>	Appendix A – List of Proposed Building Names were included in the packet for the Committee’s information and review.
<b>Staff Resource</b>	Ricardo de la Garza, Executive Director for Facilities Planning & Construction Mary Del Paz, Vice President for Finance and Administrative Services
<b>Recommendation</b>	Administration requests the Committee recommend Board approval of the proposed district wide building names as presented.

Upon a motion by Mr. Paul Rodriguez and a second by Dr. Alejo Salinas the Committee recommended Board approval of the proposed district wide building names as presented.

The motion carried.

### **ACTION ITEM III, Review and Discussion on the Process for the Selection of On-Call Services from Architects and Engineers**

**Purpose** To review and discuss the process for the selection of on-call architectural and engineering services for district-wide construction projects.

**Justification** A pre-approved pool of architectural, civil engineering, and mechanical, electrical, and plumbing (MEP) engineering firms reduces the estimated project schedules by eliminating the need to solicit qualifications on a project-by-project basis.

On September 9, 2025, the Facilities Committee requested information about procurement processes for on-call professional services. College staff have reviewed the processes used by other local entities.

Based on their review, College staff has developed the following process which is similar to other local entities. The list below of submittal documents would be required in order to be considered for inclusion in the architectural and engineering on-call services pool.

Round 1		Submittal Requirement
1	Execution of Offer	Pass/Fail
2	Grant Forms (if required)	Pass/Fail
3	Statement of Qualifications <ul style="list-style-type: none"><li>- Statement of Interest</li><li>- Prime Firm</li><li>- Project Team</li><li>- Representative Projects</li><li>- Project Execution</li></ul>	Pass/Fail
4	References for Three (3) Projects	Pass/Fail
5	Insurance Certificate	Pass/Fail
6	Form 1295	Pass/Fail

College staff would present the list of qualified architectural and engineering firms that met the above submittal requirements for the Facilities Committee recommendation and Board approval.

As projects are initiated, the Facilities Committee would select firms to be evaluated for the projects. The evaluation committee(s) will evaluate the selected firms and rank them by the most qualified, as per the Texas Government Code 2254: Professional and Consulting Services.

The evaluation committee would follow the July 25, 2023 Board-approved criteria for scoring of the statements of qualifications.

Round 2		Maximum Points
1	Statement of Interest	100
2	Prime Firm	100
3	Project Team	100
4	Representative Project	100
5	Reference	100
6	Project Execution	100

The rankings for the evaluated firms would be presented for Board approval of the highest-ranked firm at the subsequent Board meeting.

Options for contract terms are proposed as follows:

- One (1) year term
- One (1) year term, with the option to renew for one (1) additional one (1) year term
- One (1) year term, with the option to renew for two (2) additional one (1) year terms

**Enclosed Documents**

**Staff Resource**

Ricardo de la Garza, Executive Director for Facilities Planning & Construction  
Deyadira Leal, Director for Purchasing  
Mary Del Paz, Vice President for Finance and Administrative Services

**Recommendation**

This item was presented for the Committee’s review and discussion only. No recommendation was requested.

No action was taken on this item. Chair, Dr. Salinas, asked that the presentation be done at the next meeting. Mr. Rick De La Garza will present at the October Board meeting.

**Appendix A**

List of Pending Projects follows in the packet.

**ACTION ITEM IV, Review and Recommend Action on Substantial Completion of the Regional Center for Public Safety Excellence Perimeter Fence**

<b>Purpose</b>	To approve substantial completion of the project.
<b>Justification</b>	<p>College staff visited the site and developed a construction punch list on October 6, 2025.</p> <ul style="list-style-type: none"><li>• Contractor: AJ3 Construction, LLC.</li></ul> <p>A Certificate of Substantial Completion has been issued. Substantial Completion was accomplished within the time allowed in the Owner/Contractor agreement for this project by AJ3 Construction, LLC. The original cost approved for this project was \$118,139.76.</p>
<b>Enclosed Documents</b>	Appendix A – Current Budget Status, Appendix B – Photos, Appendix C – Substantial Completion Letter, and Appendix D – Fact Sheet were included in the packet for the Committee's information and review.
<b>Funding</b>	The funds for the Regional Center for Public Safety Excellence Perimeter Fence Project 2022-009C are available in the Unexpended Construction Plant Fund for use in FY 2025 – 2026.
<b>Staff Resource</b>	Ricardo de la Garza, Executive Director for Facilities Planning & Construction Mary Del Paz, Vice President for Finance and Administrative Services

Upon a motion by Mr. Paul Rodriguez and a second by Dr. Alejo Salinas the Committee recommended Board approval of substantial completion of the Regional Center for Public Safety Excellence Perimeter Fence project as presented.

The motion carried.

**ACTION ITEM V, Review and Recommend Action on Amended Lease Agreement with P&N Shah Family, L.P. for the Cosmetology Program**

**Purpose** To approve a facility lease addendum with P&N Shah Family, L.P. for additional space.

**Justification** On April 25, 2023, the Board of Trustees authorized a facility lease addendum with P&N Shah Family, L.P. for the College's Cosmetology program. This space provided for specific needs including general classrooms, student common area, cosmetology labs, office spaces, and a dispensary/storage area on site.

Since that time, the STC Cosmetology has thrived in that space, and could benefit from an expansion on site, while the College continues its plans to renovate space at the STC Pecan Plaza.

The program currently serves three active student cohorts, totaling 39 students and up to 45 (15 per cohort). The cosmetology program has been extremely successful, filling up cohorts within a matter of days of opening enrollment. Program growth has reached a point where the primary barrier to expansion is the limited space provided in the current lease. Additionally, due to limited space within the leased facility, the program has been utilizing an off-site storage unit at a cost of \$3,504 annually to store program supplies and equipment.

The program has identified three additional rooms at the existing facility that would directly support program operations, student learning, and faculty needs.

The additional spaces are available as follows:

**Room Details and Proposed Use**

Room	Square Footage	Intended Use
Room 1	227 sq. ft.	Relocate student open lab and include a student dining area; previous open lab repurposed as adjunct faculty office
Room 2	237 sq. ft.	Additional on-site storage adjacent to existing dispensary; consolidate current lab storage, which will be converted into a faculty office
Room 3	359 sq. ft.	Additional classroom

The lessor will renovate existing spaces to make them generally ready for the College, including new entrance doors, removing unnecessary furniture and cabinets, and repainting walls.

The total additional spaces would increase our footprint by 823 square feet. The proposed lease provides these additional spaces at \$1.75 per rentable square foot per month, which reflects an increase of \$17,283 per year.

If the Board approves this addendum, the total facilities lease agreement would cost \$125,643.00 per year.

The additional space will also allow the College to eliminate an off-site storage lease, saving \$3,504 per year.

Administration has confirmed this expansion will strengthen the cosmetology program by improving operational efficiency, increasing instructional and support capacity, and enhancing both the student and faculty experience. The additional lease costs remain within the program's budget capacity, making this a fiscally responsible proposal that directly benefits student success and program quality.

The addendum would extend the current lease and new cost through December 31, 2028, after which renewal terms may be considered.

The proposed lease amendment has been reviewed by Administration and legal counsel and is recommended for Board approval.

**Staff Resource**

Dr. Anahid Petrosian, Vice President and Provost for Academic Affairs and Economic Development  
Mr. Jose Vela, Point of Contact, Technology Campus  
Ms. Carla Balleza, Cosmetology Program Chair

Upon a motion by Mr. Paul Rodriguez and a second by Dr. Alejo Salinas, the Committee recommend Board approval of the facility lease addendum with P&N Shah Family, L.P. for the use of additional spaces at the Shah Eye Center facility for the period as presented.

The motion carried.

**ACTION ITEM VI, Update on Status of Unexpended Plant Fund Construction Projects and Renewals & Replacements Projects**

<b>Purpose</b>	The Facilities Planning and Construction staff prepared the attached design and construction update. This update summarizes the status of each capital improvement and renewals & replacements project currently in progress, including a categorization based on priority.
<b>Enclosed Documents</b>	Appendix A – Capital Improvement Projects Milestones, Appendix B – Budget Report, Appendix C – Capital Improvement Projects Overview, Appendix D – Renewals & Replacements Projects Overview, and Appendix E – Outstanding Issues were included in the packet for the Committee's information and review.
<b>Staff Resource</b>	Ricardo de la Garza, Executive Director for Facilities Planning & Construction Mary Del Paz, Vice President for Finance and Administrative Services
<b>Recommendation</b>	This item was presented for the Committee's information only. No action was requested.

## **Adjournment**

There being no further business to discuss, the Facilities Committee Meeting of the South Texas College Board of Trustees adjourned at 4:42 p.m.

I certify that the foregoing are the true and correct Minutes of the October 14 2025 Facilities Committee Meeting of the South Texas College Board of Trustees.

Dr. Alejo Salinas, Jr., Presiding

## **ACTION ITEM II, Review and Recommend Action As Necessary on the Process for the Selection of On-Call Services from Architects and Engineers**

**Purpose** To review and take action as necessary on the process for the selection of on-call architectural and engineering services for district-wide construction projects.

**Justification** A pre-approved pool of architectural, civil engineering, and mechanical, electrical, and plumbing (MEP) engineering firms reduces the estimated project schedules by eliminating the need to solicit qualifications on a project-by-project basis.

On October 28, 2025, College staff presented information about various procurement processes for on-call professional services to the Board of Trustees. The Board requested to have legal counsel review the processes and provide an update at the next meeting.

Legal counsel will be present to provide information as requested and answer any questions.

As part of the presentation, College staff noted that in each of the processes reviewed, staff evaluates the firms and ranks them to select the most qualified, as per the Texas Government Code, Chapter 2254: Professional and Consulting Services.

*Sec. 2254.004. CONTRACT FOR PROFESSIONAL SERVICES OF ARCHITECT, ENGINEER, OR SURVEYOR.*

*(a) In procuring architectural, engineering, or land surveying services, a governmental entity shall:*

*(1) first select the most highly qualified provider of those services on the basis of demonstrated competence and qualifications; and*

*(2) then attempt to negotiate with that provider a contract at a fair and reasonable price.*

*(b) If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land surveying services, the entity shall:*

*(1) formally end negotiations with that provider;*

*(2) select the next most highly qualified provider; and*

*(3) attempt to negotiate a contract with that provider at a fair and reasonable price.*

*(c) The entity shall continue the process described in Subsection (b) to select and negotiate with providers until a contract is entered into.*
