Federal regulations require the College monitor Satisfactory Academic Progress (SAP) of all students in order to determine financial aid eligibility. These regulations require the evaluation of both quantitative (67% course completion rate) and qualitative (maintaining at least a 2.0 cumulative GPA), as well as completion of a degree or certificate within 150% of normal time frame. SAP standards are the same for all students, including dual credit students. All periods of enrollment, whether the student did or did not receive aid will be included in the measurement of SAP

In order to be eligible for either Federal or State financial aid, all students, including dual credit students, are required to maintain Satisfactory Academic Progress (SAP).
